

# Lean Operational Excellence

DTR

going the extra mile

## Dinex OEM

The OEM division of Dinex is a leading global supplier of innovative gas and diesel exhaust aftertreatment emission solutions for the heavy duty truck, construction & agricultural vehicle industry with activities in Europe, North America, China and India.

Every day our products and technologies clean the exhaust gas from millions of vehicles worldwide in compliance with the most stringent emission legislations, such as EURO VI and EPA10, and with solutions in place for carbon-neutral fuels and hydrogen applications, as well as future emission regulations. Dinex is a part of a green, climate-neutral future for future generations.

With our core technologies within coating and system design, we deliver highly sophisticated aftertreatment solutions to prominent OEM customers globally. For cost efficient solutions we support our customers with global technology & test centres, as well as local application engineering that speaks the language.

## Global Key figures

**1,800** employees

**7** production sites

## Maintenance at Dinex

We are looking for a detail-oriented **Maintenance Team Leader** to take full ownership of the process within our Maintenance Department. The right candidate will be experienced and confident in managing planned and unplanned maintenance activities, ensuring equipment uptime, leading the maintenance team, and maintaining strong communication with production and other departments

## Qualifications

- Bachelor's degree in electrical and electronics engineering or mechatronics/mechanical engineering
- Minimum 10 years experience in manufacturing environment, preferable with background and experience in automotive industry
- Experience with automation & robotics and all associated equipment (vision systems, oven automation, end of arm tooling options, barcode systems etc.)
- Experience with mechanical, pneumatics, electrical and PLC (Especially Siemens S7 1500 and TIA PORTAL) programming
- Experience with collaborative robots (especially ABB Robots)
- Strong knowledge and experience about TPM activities
- Significant experiences with drive systems (servo drives, encoders etc.)
- Fluent in written and oral English

- Able to travel when required

## **Roles & Responsibilities**

- Effectively delegate any maintenance issues to be resolved on each shift and small projects to the right skills in the team, planning and managing effective works
- Adhere to daily and weekly checks to ensure smooth operation of site
- Develop a Planned Preventative Maintenance (PPM) schedule, ensure full preventative maintenance is carried out, plan in missed maintenance activities, and lead the team to deliver effectively
- Audit and ensure compliance of the engineering data systems
- Schedule both internal and external work(s) maximising planned down time and reducing unplanned downtime
- Manage the team to ensure machine availability, reactively managing dysfunctional machinery with the Shift management
- Optimise equipment according to standard procedure, enhancing performance and product quality, ensuring the achievement of all Key Performance Indicators (KPIs)
- Ensure routine calibration and maintenance requirements of a variety of electro-mechanical, hydraulic and pneumatic systems are undertaken
- Ensure that designated buildings, plant and facilities are fit for purpose and to provide proactive support/solutions when required
- Manage systems and equipment data storage and maintain high levels of standards and accuracy

## **Career Perspectives**

*For the right candidate, we offer a unique opportunity for growth in competencies, personality, and a career opportunity nationally as well as globally.*

*With the right attitude, potential and willingness, you will experience Dinex as a company with strong values and high professionalism. Last but not least, we see an attractive future ahead of us, and you will be part of a company that is at the forefront of the sustainability agenda.'*

## **Interested?**

*We are looking for someone who can join us as soon as possible, so please apply soon! In case you have any questions, feel free to contact Global Recruitment Lead Özge Soylu, [zns@dinex.com.tr](mailto:zns@dinex.com.tr)*
